<p>Mobile App Advertising - The Mobile App provides you with the opportunity for mobile sponsorships and promotion through banner ad and multimedia advertising. This gives exhibitors a far-reaching, cost-effective way of advertising. It's a handy tool for the trade show, but it also lives on throughout the year, providing users with an industry reference tool with company, product and contact information plus exhibitor advertising all year long.</p>	
<p>Green Package (Free of Charge to MIC Sponsors and Exhibitors) Upload your company's logo to appear on your company's exhibitor listing page. Also include as many downloadable .pdf product and company brochures as you'd like. Manage that content throughout the year using your provided exhibitor web portal.</p>	
<p>Banner Ad/Landing Page Ad Package Promote your company's message with a rotating banner ad seen on the mobile app's Dashboard. When tapped, the user is taken to a full-screen app landing page showing product or service graphics and information. This page then leads a user to the company's exhibitor listing page.</p>	\$1,000 each
<p>Multimedia Ad Package This package includes a rotating banner ad seen on the mobile app's Dashboard that leads to a full-screen app landing page, and then to the company's exhibitor listing page, from where a video message can be launched.</p>	\$2,000 each
